Martin Scheinin (*European University Institute, Florence*)

VOLUME 7

This series offers pathbreaking studies in the dynamic field of intercultural human rights. Its primary aim is to publish volumes which offer interdisciplinary analysis of global societal problems, review past legal responses, and develop solutions which maximize access by all to the realization of universal human aspirations. Other original studies in the field of human rights are also considered for inclusion.

The titles published in this series are listed at brill.com/sihr

Cultural Rights as Collective Rights

An International Law Perspective
